Garden

House

Small

Quiet

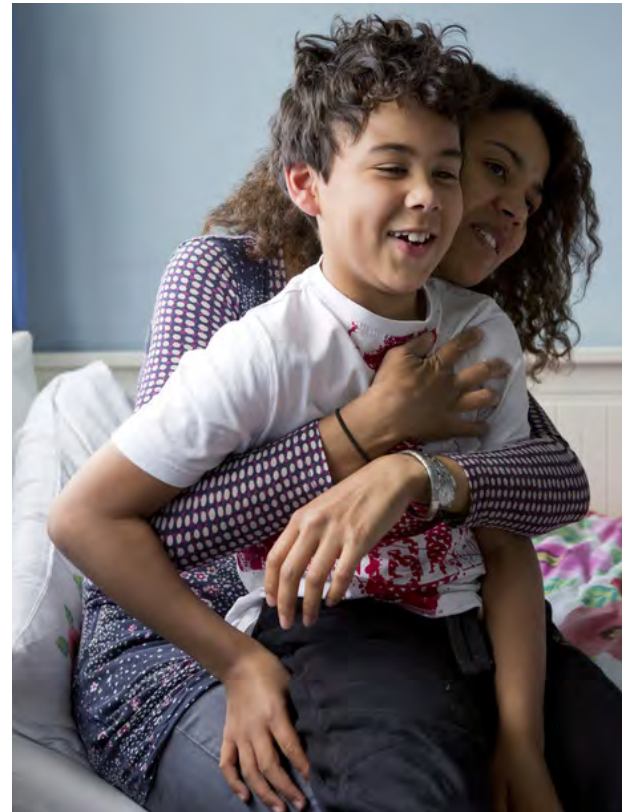

Noisy

# Types of homes in Scotland

# A home for Jack...

Jack is 6 years old. Jack lives with his Mum, and two little brothers. Jack would like a garden for him and his brothers to play in with their pet. Jack's little brothers are sometimes sick, so he would like to live near to the Doctors. He would like a warm and safe home, where he and his family can walk to school.
