

Lesson 5

Careers and decision making

Learning Intention: To begin to understand different careers, and to make difficult decisions.

Success Criteria:

- I can make decisions based on facts.
- I can explain what a housing advisor does.
- I can list three careers in a charity.

What we do

Working at Shelter Scotland the roles

Working as a housing advisor

“Hi, my name is Nicola.

I am a Helpline Advisor at Shelter Scotland.

I give people advice and information on their housing and homeless rights.

It is important to have advisors like myself as not everyone is aware of their rights and sometimes people need help to understand their rights.

I help lots of people every day and my advice can improve someone’s situation.”
