

Little Act

Big Impact

Even a little bit of time can make a real difference for people affected by bad housing or homelessness. Here are some ideas for little acts that could have a big impact.

- Tell people about our website, including our Online Chat service for advice and our 'Get Help' option if they are in crisis. shelterscotland.org/getadvice
- Save our Helpline number on your phone and share with those who urgently need it: **0808 800 4444**
- If you feel comfortable doing so, speak to someone who is sleeping rough and use our website to find out how they can get help in their local area.
- Sign up as a supporter of Shelter Scotland to receive regular updates about our work: shelterscotland.org/50
