

Design and build your paper home to show your support.

Follow these three easy steps to show your support on social media for our campaign to **#BuildScotlandsFuture**.

1

Get creative with your kids by colouring the outside of the house.

2

Cut it out, glue it together and place it in your front window.

3

Show your support! Post your family's design on social media using the hashtag **#BuildScotlandsFuture**
